HEALTHCARE	\$240	\$240	In budget
OTHER EXPENSES	\$280	\$300	\$20 Over budget
TOTAL EXPENSES	\$2,560	\$2,580	\$20 Over budget

Notes

Things to do with leftover budget money...
pay off debt, start a side business, add to your emergency funds.

Weekly Total Summary

SUMMARY	ACTUAL	REMARK
TOTAL INCOME	\$2,900	
TOTAL EXPENSES	\$2,580	
TOTAL (TOTAL INCOME - TOTAL EXPENSES)	\$320	Leftover budget

Now that you have PLANNED in the first column, after you input all of your ACTUAL numbers, you'll also need to fill out the DIFFERENCE column, too. To fill out this column, simply take the PLANNED number and subtract the ACTUAL number from it.
